Great experience

Fansipan mountain the highest peak in indochina at 3143m and has the longest 3 rope cable car in the world. This is a great ride on its own.

There are lots to see and with lots of steps some 600 you will be fit by the end(or take the short ride in the tram) to the summit. We heard that there are few days when it is clear at the summit but its an adventure so just go with crossed fingers. NB. The Cafe De Soleil near the summit charges 80,000vd for a black vietnamese coffee. Four times the normal price because you are a captive market. Drink your coffee lower down and avoid this terrible shame of a rip off.

Fantastic trekking experience

We did 1 day trek up and down Fansipan. It was remarkable, even in miserable weather. Fansipan is a must-do in SaPa, and hiking it yourself gives you the feeling of having conquered the highest peak in IndoChina!
