A must go

06 Jun 2019

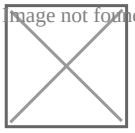

It was super nice experience to up to the Fansipan mountain in a sunny day. You are better go early in the morning or a bit late in noon time to avoid the crowd. We took Muong Hoa train to the cable station and went up by cable car. Took 600 steps to go up to the top.
Recommended to take steps instead of train then you can see break-taking view and visit pagoda. Bring warm clothes as it?s quite windy and cold in the mountain. Must go place if you travel to Sapa

Excellent views, ensure you allocated a good chunk of the day to visit here. However, the views will be blemished if it is cloudy. We was very lucky with the weather!

Unforgetable

Don't miss visiting Fansipan Mountain if you visit Sapa. The cable car while scary is really awesome. 20 minutes ride and it's thrill and fun. The Monday was cold and misty we had to buy all the winter clothing after reaching the mountain. Good thing is every single winter gear is available. The Buddha statue and the peak are memorable !

Beautiful
