It was wonderful tour that I really enjoed! Our group, together with a wonderful guide, visited the village, saw what the locals do in everyday life. The view of the rice fields from the top of the peak was unforgettable. The guide speaks very good English and told us many stories and historical facts. I really liked it!

I can only recommend this 2 day trip trekking to Sapa! The pick up from the hotel went smoothly and the bus was very comfortable. Everything was taken care of so we never had to worry about food, etc. Our guide Sua was really nice and never got tired of answering the many questions I had. The hikes were beautiful and just the right amount of difficult. However, I do not recommend it for people who do not really enjoy hiking because there are harder parts on the trail.

It was an unforgettable memory.

Our guide was from Sapa. During the trip, we tried to explain our poor English carefully. We always smiled and kindly guided our schedule for 1 night and 2 days. Also, the hotel was very kind to us and the meal was really delicious. This is a tour that I want to recommend to my friends. Don't worry about it Please choose this.

Great place to visit! Amazing sapa trek!

It was the best thing I've done in Vietnam. Trekking was awesome in a small group with a great guide from H'mong tribe. The hotel was simple but lovely atmosphere, great food and warm people. We will be back next trip!
