### Mostly great

11 Dec 2018

We are group of 7 joined with luxury vacation package for whole week from hanoi- north west sapa, bac ha market, we explored many passes to reach the highest mountainous region and visited some primary school, did donation foundations, helps...the operator played an important role in supporting our group for both definitely travel with work in hanoi. Thanks and recommend this operator to everybody

### Ardour guide

07 Apr 2018

Sapa is a must visit for people going to Hanoi. The bus trip is certainly different a lay down bus but the hotel where we stayed was very comfortable and the meals there were excellent. Our guide on the walks went out of his way to explain everything and to answer all questions. The only disappointing aspect is the amount of rubbish in the rivers and everywhere on the ground. The authorities will need to do something to clean this up before it becomes a health hazard ..... both for the environment and for the people of the area.

### Everything was operated smoothly

22 Sep 2017

The sights are breathtaking. Tour guide was fantastic. Some women from the villages trekked with us and thank goodness they did, they stopped us from slipping in the mud a few times. Very muddy and wet when we went so wear good non slip shoes. So much fun though. The buses were like nothing I've ever seen, comfortable though. You'll stop at a road house along the way for a toilet break, you need to pay a small amount to use them so take money and take tissues with you as they don't have toilet paper. The motel we stayed in was gorgeous, staff were lovely, food was great and cheap cocktails and beer. Highly recommend this trip.
