A great place to escape from the city

25 Aug 2019

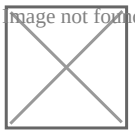

Near lovely KySon village, this flower-rich oasis overlooking a lake is a lovely spot to have a cooking class and lunch. We toured the village by car as it was too hot to bike, but in cooler weather, the bike ride is probably nice. We didn?t stay in the resort overnight, but for a day trip from Hanoi?perfect! A reconstructed church serves as a central dining area and is simply beautiful.

The next wonder of the world

03 Aug 2019

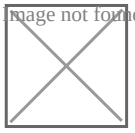

Halong Bay is impressed with the bay and many rocky mountains on. With a cruise ship two days and one night seems to be too short for exploring how hidden beauty and charming one of Halong Bay. Feeling lost in the ocean, sea blue water is much fresher than any other sea beach near by Asia! All natural could be a big great of Quang Ninh Province. We wished we could stay longer than our plan but would love to be back soon . Love Halong bay

Doubt you could find a better cruise around Halong Bay

Superb cabin,Great activities,Cycling,Swimming,Kayaking,Friendly Helpful crew members,Yummy food.And not to many other people what more could you ask for. Highest Recommendation.

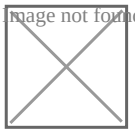

Don't just see the Markets

02 May 2019

We visited the Cai Be markets as part of a cruise on the Mekong River. Its a 2 hour drive out from Ho Chi Minh City. The floating market is not large but there is plenty of activity going on both on the river and on the banks. You cruise along the river seeing the wholesale boats and the smaller sellers both on the water and on the shore. The floating villages are interesting with shops, manufacturing activities, schools, fishing and the day to day cycle of life going on oblivious to the passing tourists. The younger folks like driving their boats at high speeds and raising their propellors just a bit to spray the day trippers with water and let them know who is boss on this river. The river seems endless with multiple side waterways, floating vegetation and interesting buildings and sights all around. We stopped to look at various attractions/activities beside the river. These included making rice paper, rice popcorn, coconut candy, tasting snake wine. There is nothing mind boggling here but for a thoroughly relaxing few hours in a tranquil setting it can't be beat.

Halong Bay cruise and kayaking experience

08 Apr 2019

Halong Bay is a beautiful place on Earth. Chose to experience that in a cruise that included a kayaking trip around one of those amazing islands. Solo traveling but excited to meet friendly travellers from so many places including a family from Chile that I took the kayaking trip with. Don't miss!
